

Textbook

The Elements of New Testament Greek

3rd edition

Jeremy Duff

The Diocese of Liverpool

Foreword by David Wenham

University of Oxford

Since 1914 Cambridge has published *The Elements of New Testament Greek*, a best-selling textbook for scholars and students of the Bible. The original book by Nunn was replaced and succeeded in 1965 by J. W. Wenham's book of the same title; now Jeremy Duff has produced a new book to continue this long-established tradition into the twenty-first century. Learning Greek is a journey of many steps. In this book each of these steps is explained clearly, and reviewed using questions and exercises. Lessons are ordered so the most important aspects of Greek are learnt first and the vocabulary consists of the most commonly occurring words in the New Testament. Hundreds of examples cover every book of the New Testament and there is a New Testament passage to translate in almost every chapter. A vocabulary audio CD is also available to accompany this book.

Contents

New Testament Greek Listening Materials

For the Elements of New Testament Greek

3rd edition

Jeremy Duff
Diocese of LiverpoolNarrated by Jonathan T. Pennington
University of St Andrews, Scotland

Since 1914 Cambridge has published *The Elements of New Testament Greek*, a best-selling textbook for scholars and students of the Bible. The original book by H. P. V. Nunn was replaced and succeeded in 1965 by J. W. Wenham's book of the same title; now Jeremy Duff has produced a new book to continue this long-established tradition into the twenty-first century. This audio CD set accompanies the new third edition of 'The Elements'. It contains the vocabulary lists, reading passages, and paradigms from the book, read aloud so as to enable students to reinforce their familiarity with the Greek alphabet and the sound of the Greek words. This will particularly benefit those students whose learning style is strongly auditory, but will enhance the progress of many others by facilitating study even when away from their books.

Contents

Disc 1; Disc 2.
